

Chart J - Continued

Interdisciplinary Centers of Georgia Tech

College of Sciences
Dr. Paul Houston

Center for Education Integrating Science, Mathematics, & Computing
--
Center for Computational Materials Science
--
Center for Organic Photonics & Electronics

Ivan Allen College
Dr. Sue Rosser

Center for Advanced Communications Policy
--
Center for International Strategy, Technology, & Policy
--
Center for New Media Education & Research
--
Center for Paper Business & Industry Studies
--
European Union Center
--
Technology Policy & Assessment Center

Georgia Tech Research Institute
Dr. Stephen Cross

Center for Geographic Information Systems
--
Center for Innovative Fuel Cell & Batteries Technologies
--
Center for International Development & Cooperation
--
Center for Optimization of Simulated Multiple Objective Systems
--
Commerical Product Realization Office
--
Environmental Radiation Center
--
Environmental Safety & Occupational Health Program
--
LandMARC Research Center
--
Medical Device Test Center
--
Military Sensing Information Analysis Center
--
Modeling & Simulation Research & Education Center
--
Phosphor Technology Center of Excellence
--
Severe Storms Research Center
--
Test & Evaluation Research & Education Center

Enterprise Innovation Institute
(Vacant)

Advanced Technology Development Center
--
Georgia Tech Procurement Assistance Center
--
Southeastern Regional Technology Transfer Center
--
Southeastern Trade Adjustment Assistance Center
--
Georgia Statewide Minority Business Development Center

Office of Research and Innovation
Dr. Mark Allen

Air Resources & Engineering Center
--
Biomedical Interactive Technology Center
--
Brook Byers Institute for Sustainable Systems
--
Center for Biologically Inspired Design
--
Center for Computational Materials Science
--
Center for Experimental Research in Computer Systems
--
Center for Nanoscience and Nanotechnology Characterization
--
Center for Nonlinear Science
--
Center for Paper Business & Industry Studies
--
Center for the Study of Women, Science, & Technology
--
Georgia Centers for Advanced Telecommunications Technology
--
Georgia Electronic Design Center
--
Georgia Tech Information Security Center

Office of Research and Innovation
Continued

Georgia Transportation Institute
--
Georgia Water Resource Institute
--
Institute for Leadership & Entrepreneurship
--
Institute of Paper Science & Technology
--
Interactive Media Technology Center
--
Manufacturing Research Center
--
Microelectronics Research Center
--
Nanotechnology Research Center
--
Parker H. Petit Institute for Bioengineering & Bioscience
--
Physiological Research Center
--
Specialty Separations Center
--
Strategic Energy Initiative
--
The Tennenbaum Institute
